Kegerator cleaning log

A completed service record for your home draft setup. Keep it near the kegerator.

Setup / tap(s): _____ Cleaning product: _____

Equipment instructions: _____ My reminder interval: ____ days

Record work after it is complete. Use your equipment and cleaner instructions for the method, concentration, contact time and rinsing.

Completed	Tap / line	Faucet / coupler work	Work completed / follow-up	Next reminder	By

Keep the record and reminder together. A reminder is a planned date; this sheet records the work you actually completed. The online log can save dates on your device and download a calendar reminder.
